**Subject:** Resign!

Your political bias and behavior is abominable and un-American, as well as dangerous to the public. You have destroyed the credibility of NOAA.

Please resign. And, while you're at it, encourage the despicable Wilbur Ross to do the same.

Very sincerely,  
Shannon

PS - I recommend canceling your speech in Alabama tomorrow. In fact, you should probably not attend at all. It's probable that the audience will make you look like a fool.
